What's Your Promise?

When you buy life insurance, you make a promise: to protect your loved ones financially should something happen to you. But that promise is only as good as the company behind it. We can help with PL Promise GUL from Pacific Life. After all, keeping promises has been the heart of what we do for nearly 160 years. Choose the amount and duration you need with the help of our [life insurance calculator](#) available online at [PacificLife.com](#).

¹The Lifetime No-Lapse Guarantee Rider (form series R17LYFNL, varies based on state of policy issue) is included in the policy at no additional charge. The no-lapse guarantee, depending on how you structure your policy, has a maximum duration of the insured's lifetime, subject to certain limits. If your net no-lapse guarantee value is zero, the no-lapse feature terminates. If the no-lapse feature terminates, additional premiums would be required to resume the no-lapse guarantee. If policy performance is such that your policy is being maintained solely by the no-lapse guarantee, your policy will not build cash value.

²Riders will likely incur additional charges and are subject to availability, restrictions, and limitations. When considering a rider, request a policy quote from your life insurance producer to see the rider's impact on your policy's values.

³Universal life insurance generally requires additional premium payments after the initial premium. If either no premiums are paid, or subsequent premiums are insufficient to continue coverage, it is possible that coverage will expire.

Options to Meet Your Evolving Needs

PL Promise GUL provides both death and living benefits. That means in addition to death benefit protection, your policy offers optional features you can access while you're living. These optional features, called riders,² help expand or enhance your coverage. Some are included at no additional cost, while others need to be elected when you buy the policy.

Base Riders Included with your policy at no additional cost

Lifetime No-Lapse Guarantee Rider¹

Your policy is guaranteed to remain in place until you (or whoever the policy insured) turn 90, as long as you pay at least the no-lapse guarantee premiums stated in your policy. You may choose to pay higher premiums and extend the guarantee for the duration of your choosing—up to lifetime (age 121).

Optional Riders May be added to your policy, subject to state availability and qualification requirements

Waiver of Monthly Deductions Rider⁴

If you become totally disabled before age 65, you can exercise this rider to help you keep your policy active if you are unable to continue paying premiums while on disability.

Children's Term Rider⁵

This rider allows you to include up to \$10,000 of term life insurance coverage on the life of each dependent child (aged 15 days to 18 years), turning your PL Promise GUL policy into one that covers the entire family.

¹Waiver of Monthly Deductions Rider (form series R18WMD, varies based on state of policy issue). This rider is available for insured's issue age 20-59 for a monthly rider charge based on policy coverage amounts at issue. The rider charge would also be waived during qualifying disability.

⁵Children's Term Rider (form series R17LYCTUL, varies based on state of policy issue). This optional rider coverage may be added at any time for a monthly charge based on the child's coverage amount.

Return of Premium Feature

If you change your mind or no longer need the protection provided by your policy, you may get a full or partial refund of the premiums you've paid through the Return of Premium feature.⁶ Surrender your policy within 60 days of certain policy anniversaries for the enhanced surrender value, which is the lesser of 40% of the policy's death benefit or the following refund amounts:

Surrender the policy after stated anniversary and get the lesser of 40% of the death benefit or:	Year 15	75% of total premiums paid
	Year 20 or 25	100% of total premiums paid

Return of premium percentages shown above are for issue ages 30 and older, death benefit of \$250K+. Return of premium percentage and exercise years vary for issue ages 29 and under and/or death benefits less than \$250K.

Payment Flexibility

As an added benefit of a PL Promise GUL policy, you may pay your premiums up to one month early or one month late without adversely affecting your guaranteed protection.

About GUL Insurance

Life insurance is subject to underwriting and approval of the application and will incur monthly policy charges, which include cost of insurance charges, administrative charges, coverage charges, and any rider charges. Additionally, a premium expense charge is deducted from each premium payment. Universal life insurance generally requires additional premium payments after the initial premium. If either no premiums are paid, or subsequent premiums are insufficient to continue coverage, it is possible that coverage will expire. A guarantee is included in the policy that will prevent policy lapse as long the net no-lapse guarantee value is sufficient to cover monthly policy charges. To understand how the policy charges will affect your policy's values, request a personalized proposal.

⁶Referred to as the Enhanced Surrender Value Rider in the contract (form series R17LYESV, varies based on state of policy issue). Minimum premium requirements apply for the rider to provide a benefit.
